

ROBISON

ORTHODONTICS

Meet Dr. Tyler Robison

A native of Mesa, Arizona, Brent Tyler Robison returned to the area, eager and enthusiastic to change peoples' lives through their smiles! After graduating from Mesa's Mountain View High School, Dr. Tyler attended Brigham Young University. He was then accepted to Top Ten nationally ranked University of Louisville in Kentucky, where he earned his Doctorate in Dental Medicine as well as a Master's degree in Oral Biology and graduated with honors in the top 10% of his class. Dr. Tyler then attended University of the Pacific in San Francisco, receiving a second Master's degree in Dental Science and his Orthodontic Certification.

Dr. Tyler has been in the exclusive practice of orthodontics since 2001 and is dedicated to providing a fun and upbeat office environment with the latest advances in technology to each patient. Dr. Tyler also loves serving his community and is a Major in the U.S. Army Reserve. He served during Operation Enduring Freedom in 2008 in the Iraq War and donated his services on a medical mission to Vietnam, where he provided reconstructive surgery and orthodontics for patients with cleft palates. Dr. Tyler values education and vigorously supports and donates to the local school districts in Mesa, Gilbert, Chandler and Queen Creek.

"Improving people's smiles is my passion. I believe the power of a beautiful smile is beyond measure."

In an effort to remain current with the ever-changing world of technology and advances in orthodontic care, Dr. Tyler regularly attends numerous training and educational seminars. He is also a member of several organizations, including:

- American Dental Association
- American Society of Orthodontics
- Arizona Association of Orthodontics
- Pacific Coast Society of Orthodontics
- Arizona Dental Association
- San Tan Study Group

As the founder of San Tan Study Club, Dr. Tyler lectures frequently to dentists and their teams on the benefits of orthodontics and its latest advances. Additionally, he is an *Elite Premiere Provider* for Invisalign (top 1% in the world) and the #1 provider of Invisalign in the East Valley. He excels at early (interceptive) orthodontic treatment as well, and has been named as a "Top Doc" in Phoenix magazine.

Dr. Tyler Robison is married to Kristen (who also enjoys working part time at the office), and they have three sons and one daughter – Caden, Jace, Crew, and Bliss. He enjoys water sports, snowboarding, scuba diving, golf, watching the Suns, scouting, and time spent with family.

ROBISON
ORTHODONTICS

Meet Dr. Blake Robison

Dr. Blake Robison, a native of Arizona, is very excited to return home and join the Robison Orthodontic Team. He moved to San Francisco to attend dental school at the University of the Pacific. Upon graduating, the university faculty invited him to teach at the school and pursue a highly competitive Doctorate in Education and Leadership.

While teaching dental students and working toward his second doctorate, Dr. Blake started a dental practice in downtown San Francisco and was recognized three years in a row as one of America's Top Dentists for outstanding patient care and contributions to the field of dentistry.

"The life-changing effect of a beautiful smile makes me think I have the best job in the world."

While practicing dentistry, Dr. Blake most enjoyed creating beautiful smiles and witnessing the life-changing effect it had on people. To provide patients with the best care possible, he returned to school and completed 27 months of rigorous specialized training in orthodontics and dentofacial orthopedics at the Dugoni School of Dentistry. The program is world-renowned for advancements in orthodontics, including Invisalign, mini-implants, frictionless braces, and more.

Dr. Blake believes in giving back to improve his community and profession. He served as Vice President of the American Student Dental Association, Student Body President at Pacific and received the top awards given in California for dental leadership, scholarship and service. He continues to travel to Central and South America and Africa providing dental care to the most needy and teaching the local dentists.

Dr. Blake's number one passion is his family. He and his wife Addi have three energetic sons—Max, Jack, and Gus. With three little boys, their lives revolve around school, soccer practice, intense wrestling matches on the family room carpet, and a lot of dirt. He loves playing tennis, is an NBA and college football fanatic, and hopes to find a TV show to replace his favorites, LOST and 24.

Dr. Blake is thrilled to create spectacular smiles in an atmosphere of fun, friends and family at Robison Orthodontics.
